

Greetings from Mchungaji Mwema Secondary School November 2011 Prize Giving**Parents attending****Form 4 students waiting to receive their prizes****New Head of School (on the right) with a School Trustee Lydia on the left.**

We have a new Head of the School. Her name is Alice Benele. Alice is a former head of a State Secondary School. For the past year she has been the Deputy Head of MSSS. She is an outstanding science teacher and we are most fortunate to have her experience on the staff. Her presence and teaching ability is a Model for all teachers and students.

Excellent results

The school can be proud of the Form 2 students who overall came first in the Ngara District out of 25 Schools for the State Examinations. The results will be on our website.

Hall/Dining Room/Gym Complex

We want to thank everyone who has contributed so generously to the fund to build this Complex. The photos of parents sitting under shade cloth for the Prize-giving support the need for this facility.

New Trustees

Kathleen Fleck from Paraparaumu; and Adrienne Lloyd-Jones from Gisborne.

Kathleen and Adrienne bring a wealth of experience to the EdAid Board, and we are benefiting from working with them.
